

Caring for God's Creation

God created everything good.
God asks us to take care of all created things.

Complete the sentences that tell ways we can care for God's creation.
Use words from the word box.

animals	flowers
people	water
trees	

1. We plant _____ **flowers** _____
and _____ **trees** _____.

2. We use _____ **water** _____ carefully.

3. We respect other _____ **people** _____.

4. We do not harm _____ **animals** _____.

Parents and Catechists: The goodness of creation helps us to realize the goodness of our Creator. As part of God's creation we are called to help protect it. Talk about ways to protect the environment as part of God's creation. (For example, not wasting water, recycling, using electricity wisely, walking when we can instead of using the car...)
